

## HOWTO - add a new email address with Postfix Admin

1. Go to <https://mail.forbinhosting.com/postfixadmin> with Internet Explorer.  
You will see 2 boxes just like below:

**Mail admins login here to administer your domain.**

Login (email):

Password:

English

Users click here to login to the user section.

Postfix Admin 2.3 | | Check for update

2. Enter your Postmaster Login / Email address in the first box, example: [postmaster@domain.com](mailto:postmaster@domain.com)
3. Enter your password in the Password: box and click the Login box.
4. If you cannot get logged in because of a forgotten password, please contact [support@forbin.com](mailto:support@forbin.com) so that your password can be re-set.
